Welcome Back to Eagles Rising!

Dear Partners, Friends, and Valued Supporters

It brings us immense joy to welcome you back to the Eagles Rising Leadership Academy (ERLA) newsletter!

Whether you've been journeying with us for years or are reconnecting after some time, we are grateful for your past support and excited to share where we are headed next.

Your encouragement, contributions, and partnership have helped shape the lives of young leaders from previously disadvantaged communities.

As we continue this vital mission, we're thrilled to introduce an exciting new chapter in our leadership development journey.

If you are receiving communication from us for the first time - **Welcome to the ERLA Family!**

We are thrilled to welcome you as a valued partner in our mission to empower young leaders from underprivileged communities. Your support plays a vital role in shaping young people who will bring lasting transformation to South Africa and beyond. Thank you for joining hands with us—together, we are building a brighter future!

Introducing Our Holistic Curriculum for 2025

At ERLA, we believe that true leadership development must speak to the whole person—spirit, mind, and purpose.

That's why we've refined our one-year program to include a bold, integrated curriculum built around four core pillars:

Our Four Pillars

- **Spiritual & Restorative Formation**

Empowering students to grow in faith, character, and emotional healing.

- **Soft Skills Development**

Equipping students with essential life and workplace skills.

- **Entrepreneurial Development**

Fostering a spirit of innovation and self-reliance through training in business thinking.

- **Digitalization & Tech Literacy**

Preparing our students to navigate and thrive in a digital world.

Let's Reconnect and Rebuild—Together

This newsletter isn't just an update—it's an invitation. We want to rekindle and build some new relationships that will help to bring ERLA to life. As we step into this exciting new season, your partnership is as critical as ever. Together, we can empower the next generation of ethical, skilled, and inspired young people in South Africa.

Thank you for believing in our mission. We'd love to hear from you, re-engage with you, and walk forward together in purpose. Please click on the link in our contact details and we will be in contact with you, with more information.
